## Services

The scheme benefits from an **independent living co-ordinator** service to ensure the safety and wellbeing of residents and to provide a link with doctors, families, friends and the support services.

The scheme is also monitored by the Control Centre and should an emergency arise they can be contacted by pulling the red intercom cord or pressing a pendant. This service is available 24 hours a day, 365 days of the year.

There are a wide range of optional social activities at the scheme ranging from bingo and coffee mornings to lunch clubs, music nights and day trips. Residents can also take advantage of the communal computer with internet access or borrow a book from the on-site library. The community centre is easily accessible to everyone and is a great place to grab a cup of tea and have a friendly chat.
